

The Voice of the Pabst Park Neighborhood Association The Neighborly~Winter 2015

www.pabstpark.com

Pabst Park Neighborhood Friends,

While the weather outside may be frightful, we hope you find living in our close knit community, delightful! Some of you still might not know exactly what purpose a neighborhood association serves. We are simply a volunteer organization looking to help neighbors connect and communicate. We are not a homeowner's association looking to manage the look of our neighborhood. Our main goal is to create an atmosphere where neighbors feel safe, connected to the community and have opportunities to socialize. We host Happy Hours, an Egg Hunt, Night Time Trick or Treat, and a neighborhood wide rummage sale. We would also like to hear from you about other social groups you would like to see, such as playgroups, book club, scrapbooking club, card club, garden group or toy swap club. Please drop us an email or give one of us a call if you would be interested in leading a group for the neighborhood, and we can get an email blast out to all members. Remember that your membership in the PPNA helps provide us with the funds to communicate with over 600 households in our neighborhood through newsletters, our website and member eBlasts. Please consider joining today via the membership form on the back and bring it to our Happy Hour in February! The www.pabstpark.com website is still your best bet for information, but please also consider joining the Nextdoor community described on the back of this newsletter as a way to connect in the community. Hope to see you all around the neighborhood soon!

Nextdoor Social Network

Pabst Park is using a private online network called Nextdoor Pabst Park~PPNA. This is a great resource for us to share information about what is happening in our corner of Tosa! On our Nextdoor site, neighbors share community events, recommendations, items for sale, lost and found items, crime reports, ideas about how to improve our neighborhood and more. Feel free to invite all your neighbors~they do not need to be a member of the Pabst Park Neighborhood Association. Our goal is to be able to communicate with EVERYONE from 60th to 68th! You can invite neighbors via email, print out a flyer to drop off at their house, or mail a postcard to their home FREE of charge!

Rummage Sale Chairperson Needed

In order to bring back the ever popular neighborhood wide rummage sale, we are looking for an event coordinator. You would be responsible for picking the dates, placing an ad in the Journal and in any free online listings. Duties also include compiling a list of houses participating and distributing the lists to participants, so shoppers know which houses are having sales and what they are offering. Please contact Tammy Crouch at pabstpark@gmail.com if you are interested in being the lead.

The PPNA hosts great functions like the egg hunt, trick or treat, and happy hours. We also help the community connect through our website and email blasts. These make your neighborhood a safer and more desirable place to live! Return to Jennifer Foshag, 6534 West Lloyd Street, or bring to the Happy Hour or Egg Hunt.

Checks Payable to PPNA for membership valid thru September 30, 2015
